

Idols in the 21st Century

We are pleased to welcome back to St. John's Pastor Paul Prange, the WELS Administrator for Ministerial Education and Chairman of the WELS Joint Mission Council.

Class Description: We know what idols people worshiped in Bible times. Are they any different today? What idols compete with the true God in our own hearts? Pastor Prange leads a discussion of Christian living in the 21st century. You won't want to miss it!

Pastor Prange and his wife Leanne have three adult children and are blessed to call Burlington home. They are members at St. John's Evangelical Lutheran Church in Burlington, where Mrs. Prange serves as a Kindergarten teacher.
