## News and Notes

- **Madison Field Trip** – A huge thank you to those that chaperoned for this trip. I had a blast and I think the kids did too! If you have any suggestions on how to make this trip even better, please share those thoughts with me (except the not grading the scavenger hunt ☺)
- **Panther Prides** – On Friday our school will get together in their prides for game time. My classroom will be playing the game Sorry. If you have the game at home, please send it to school with your name written on the box. I'll return it with your child on Friday after school. Thanks in advance.

- **End of Quarter** – The end of the quarter is this Friday! Report cards will come home after Spring Break.
- **Spring Musical** – Our school will be doing a musical on April 26<sup>th</sup> at 6:30PM. Each classroom is doing a Disney Song and we'll do 2 group songs. We are already working on our song. We will be doing a Mary Poppins Medley. The students have been watching Mary Poppins during lunch so they have an idea of what the songs are about. Costumes for this evening are up to the parents. You can discuss this with your child. Our song is only 3 minutes long and we'll have a lot of acting and dancing to go with it. You can be as elaborate or simple as you wish for their costumes based on Mary Poppins.
- **End of Year Science and WI State History Projects** – Attached [HERE](#) is a list of projects the students can choose to complete in May. Look them over and discuss them with your child. Each child needs to complete 1 Science and 1 WI History project. All of the details and lists of projects can be found on that document.
- **Make a Splash!** – On Monday, March 18<sup>th</sup>, the 4<sup>th</sup> graders are all invited to the Country Spring Water Park in Pewaukee for a night of swimming. This is being held by Wisconsin Lutheran High School. There is no admission cost and parents are asked to attend a meeting to learn more about High School Christian Education. Your child should have brought home a half sheet colored flier on this event this past Wednesday. If you did not get one, and would like one, please contact me and let me know.
- **Flat Stanley** – Encourage the recipient of your child's Flat Stanley to return them soon. Many of them came back this past week. It has been really fun to see what our Flat Stanley have been doing!
